

TRADE-IN BRINGS THE WORLD'S MOST ICONIC HAND-HELD ANALYZERS WITHIN YOUR REACH

HAND-HELD ANALYZERS TYPE 2270, 2250, AND 2250 LIGHT

- Suitable for almost any 1- or 2-channel sound or vibration measurement
- Complete suite of application software supporting environmental measurements
- Suitable for many hand-held industrial applications
- One year's post-processing with Measurement Partner Suite now included free of charge with all new instruments

If you want unmatched performance, whether you are performing environmental and workplace noise assessment or working with industrial quality control and development, act now on our trade-in offer.

We'll take your old instrument off your hands and give you a substantial discount on a new Class 1 Type 2270, Type 2250 or Type 2250 Light.

WHAT TO DO

You can get more information at www.bksv.com/slm-trade-in

Or, contact your local Brüel & Kjær sales office and find out if your old instrument (Brüel & Kjær and selected manufacturers) is eligible for trade-in.

This offer has no cash alternative. This offer cannot be used in conjunction with any other offer. Purchases must be made before December 31, 2018. This offer is not valid for customized equipment. Old equipment must be returned to Brüel & Kjær within 30 days. Brüel & Kjær may withdraw or suspend this offer at any time without notice. The trade-in offer only applies when the customer agrees to trade in hardware as per promotion criteria. For those cases where the trade-in unit is not presented, we will charge the full price for the new item. For more information on this trade-in offer, including full discount criteria, please visit www.bksv.com/slm-trade-in or contact your local Brüel & Kjær sales office.
